

Application for Permit to make Excavation or Fill or Install culvert for ingress, or egress of a property on all Town of Adams Roads.

Chapter 86.07(2) Wisconsin statues state: "No person shall make any excavation or fill or install any driveway or culvert without permit from the highway authority maintaining the highway."

The undersigned requests a permit for the purpose of installing:

Commercial Driveway Residential Driveway Agricultural Driveway
 Temporary Driveway

On Town Highway _____ located _____ miles (North-South-East-West) of the intersection with _____ on the (North-South-East-West) side of the road in the Town of Adams , in Section # _____ Town _____ North Range _____ East , Adams County

Approximate start date _____ Approximate completion date _____

Before the permit application can be approved, a field inspection shall be made by either the Town Highway Foreman, or Town Chair in the company with the applicant. The applicant may have the opportunity to wave attending the inspection. If the applicant does not attend it is the applicant's responsibility to have the drive clearly marked with flags. Driveways must be at least 12 ft. wide and at least 20ft. wide at the road edge. The surface must have a depth of at least 4" of gravel/stone as a minimum surface material.

Any driveway that is installed without a permit application and approval will be removed from the Town right of way at the property's owner's expense.
